

Friends of PCS 2014-2015 Year End Review

Dear PCS Parents and Friends,

June 30th marks the end of the 2014–15 Friends of Princeton Charter School term. As members of the Princeton Charter School community, we can all feel proud of the outstanding contributions made to our school and our students this year.

Through YOUR financial contributions, dedication and commitment to our students and school, Friends of PCS raised over \$150,000 (gross), and we had a lot of fun doing it.

The following is an end-of-year recap of our fundraising efforts and some of the programs Friends of PCS was able to provide, in whole or part, due to your generous support. We are grateful to the more than 150 parents who volunteered their time as well as those who contributed to, and attended the Mardi Gras Gala. Without your support we could not have accomplished any of the following:
